

International Financial Management and Control (IFCM-3)

If you're a team player, have a head for figures and want to work in an international business environment, this programme could be a great option for you. With stiffer competition, increasing sustainability requirements and tighter budgets, financial and business controllers are in high demand.

This programme includes an internship at an international company in Holland or abroad, as well as an exchange or integrated pre-master's minor.

- ✓ **3 years**
- ✓ **The Hague, Main Campus**
- ✓ **50%** do their master's degree after graduation
- ✓ **100%** find a job within 4 months after graduation
