*Professional programs of all levels, including European
Master's & RNCP level 7*

– ***speos-photo.com*** –

General programs

→ *Programs in 1 year or 2 years:*

- *Professional Photography*
- *Photographer RNCP level 7*
- *European Master of Professional Photography*

Exceptional intakes in January 2021 for the 1-year programs!

These programs are offered in English or French, in Paris or London. They aim to acquire a high level of versatility in professional photography: photo reportage, studio, fashion photography, corporate photography, digital image processing and management. **Students master photographic technique in all its artistic and technical dimensions.** They graduate - ready to go - with their own website and professional portfolio.

Students enrolled in the RNCP Title and European Master programs participate in the Expert Modules during the last part of the program. They are accompanied in the elaboration of their "business plan" by recognized professionals in order to create their own company. These modules allow students to deepen their knowledge of the business side of photography. Supervision is provided by a team of highly qualified professionals in spacious facilities equipped with state-of-the-art equipment.

→ *Short programs:*

- *Programs in 5 months: Photojournalism with Polka Magazine, Photojournalism with Magnum Photos London*
- *Workshops in Paris and London*
- *Specialized workshops in Biarritz*

Professional Photography Fundamentals

- *Program in 5 months, in Paris or London, in French or in English*
- ***Begins in January 2021!***

The Professional Photography Fundamentals program aims to acquire the fundamentals of studio shooting and photo-reportage. It gives an overview of the skills to master to become a professional photographer.

The credits acquired during this program allow students wishing to become professionals to continue their studies at Spéos by integrating the second part of the following 2-year programs:

- *Professional photography,*
- *Title of photographer RNCP level 7,*
- *European Master of Photography.*

Creative Documentary and Photojournalism by Magnum Photos & Spéos

- *Program in English, in 1 year in Paris.
Exceptional session from January to September 2021, followed
by the next session from September 2021 to July 2022.*
- *Program in English, in 5 months in London,
from September to February (short program)*

This program is designed for students who wish to pursue a career in documentary photography and/or photojournalism, in the visual storytelling tradition of Magnum Photos.

This program is intended for students who have the maturity and skills to work on long-term thematic projects. Assignments include event photojournalism, short photo essays and a long-term in-depth personal project.

The formal program is delivered by Spéos and its appointed teachers, and supplemented by Magnum photographers and staff.

Fashion, Luxury & Beauty Photography

- *Program in English, in 1 year, in Paris*
- *From September to July*

This program is aimed at students who wish to evolve exclusively in the domains of fashion, luxury and beauty.

Students have the opportunity to work on products of major brands such as Bulgari, Cartier, Chanel, Gucci, Issey Miyake, La Prairie, Lacoste, Dior, Longchamp... with an artistic direction respecting the brand universe of these big names.

This program provides students with the foundations necessary to develop a critical reflection on fashion / luxury / beauty photography, while providing technical advice and educational support to develop their individual practice.

polka

Photojournalism *by Polka & Spéos*

- *Program in 5 months, in English or in French, in Paris*
- *Intake in January*

This program is for students who wish to evolve in photojournalism. The goal is to acquire the basics of shooting whatever the situations, and learn to tell a story in different forms (press, book publishing or artistic installation).

Supervised by the Spéos professors and the Polka team, the students will follow a program combining lectures, workshops and meetings with professionals and renowned photojournalists.

Sports Photography by Spéos with INSEP

- *Program in English, in 1 year, in Paris*
- *From September to July*

Spéos and The French National Institute of Sport, Expertise and Performance (INSEP) have teamed up to create a unique and exclusive Sports Photography program. INSEP is the reference operator of high performance sport in France and is one of the largest sports centers in the world.

This program allows students to acquire the codes of sports photography, in all sports fields. Surrounded by the French athletes who are experts in their discipline and technically advised by the Spéos teachers, the students will be able to live a unique experience in sports photography between photographers and high-level athletes.
