Faculties
Electrical Engineering and Information Technology
Computer Science and Automation
Mechanical Engineering
Mathematics and Natural Science
Economic Sciences and Media

Accreditation
„System Accreditation“ awarded by the National Accreditation Council since 2012

ACADEMIC CALENDAR

Fall semester October – March	Application deadline* 16th January - 15th July
---	--

Summer semester April – September	Application deadline* 16th July - 15 th January
---	---

*Application deadline depends on the course!

Important
Do you need a visa?
Please, submit your complete application online as soon as possible! The review process lasts up to two or three month after submitting your documents.

GENERAL INFORMATION

Costs of living and studying
Living and studying in Ilmenau is very affordable. You will need about 700 € per month including costs of accomodation.

Students who require a visa have to proof financial recources of 861 € per month at the embassy (for one year in advance).

All students pay a semester contribution of about 150 €. This covers for example a free train ticket valid within Thuringia and cheap meals in the canteen.

Application for accomodation
