OUR INTEGRATION PACKAGE, THE KEY TO YOUR SUCCESS AT EM STRASBOURG

BEFORE ARRIVAL

The International Relations Office is dedicated to welcoming international students. Overall, we aim to forge a relationship of trust with our incoming students so that they can prepare their departure with ease and enthusiasm.

Visa application

Once applicants have completed the admissions process, it is the International Relations Office that sends them the acceptance letters and provisional housing certificates, which are required for the visa application.

Housing

Our staff gathers and shares useful information on how to find accommodations.

Practical information

The International Relations Office is open all summer long (June-September) so that students can reach out to our team.

UPON ARRIVAL

Upon the arrival of incoming students, the International Relations Office offers the following services:

Free pickup

From train station/ bus station to their accommodations

Opening a French bank account

Group meetings in French and English with our partner bank

Orientation sessions

A week before the official kickoff of the academic year

DURING THE STAY

During their stay in Strasbourg, our international students enjoy...

Personal follow-ups until graduation

Our administrative offices accompany each international student throughout the duration of their studies at EM Strasbourg.

EM'brace: international events

Events are promoted by the International Relations Office: French Culture Week / International Potluck / Mid-Autumn Festival (Chinese) / EM'brace meetings / Planète EM / etc.

Report'EM

This Facebook group of EM Strasbourg ambassadors, composed of international students, is for sharing experiences, recommendations and School events in order to create a dynamic and engaging international community! Join them to share your tips!

Promotion

Participate in student fairs to promote the School and share your experience in France and in Europe.
