take action.**

**However, these things rarely happen by themselves.
At BSB, you'll find a setting which encourages you to open up to
others and to the world.**

**Here you stand out, here you surpass yourself, here you transform
yourself, here you can perform.**

But above all, here your imagination has no limits.

**At BSB, you will learn that where there's a will, there's a way.
That nothing is impossible for you, but nothing's achieved
without effort.**

**This awareness is our mission, and this is the guidance we want
to offer you.**

DIJON AND LYON: AT THE CROSSROADS OF 2 MAJOR REGIONS IN FRANCE

Two of the most dynamic regions in France, Burgundy and Rhône-Alpes are ideally located with Switzerland, Italy, Germany, Luxembourg, and Belgium right on your doorstep.

Living in either Dijon or Lyon, you will have easy access to major highways, airports, and SNCF railway stations.

SOME REGIONAL HIGHLIGHTS

- 5 UNESCO world heritage sites
- 1st gastronomic region in France
- 1st ski area in the world with 172 ski resorts
- 3 Alpine mountain ranges: Alps, Jura, Massif Central

BURGUNDY CAPITAL CITY: DIJON

With nearly 2.9 million inhabitants, the Burgundy region is sought after by those in the hospitality industry for its time-honoured techniques and extensive knowledge of food and wine.

Unique in the world, the “climates” of Burgundy’s vineyards were inscribed on UNESCO’s World Heritage List in 2015. Each estate has its own distinctive and prestigious plots with over 1,247 vineyards in total. Imagine spending your weekends discovering vineyards that are over 200 years old through the world-famous “Route des Grands Crus” and walking amongst the grapes that will produce vintage wines reserved for the wealthiest clientele in the world such as Romanée Conti, Château de Pommard, or Clos de Vougeot.

Thanks to its agri-food industry, research and higher education centres, Dijon is recognised for its leadership in the fields of food and nutrition. In addition, the city is also developing numerous clusters of expertise in health, sustainable development and ecological transition.

AUVERGNE RHÔNE-ALPES CAPITAL CITY: LYON

With a population of 8 million, the Rhône-Alpes is the third largest region in France. Thanks to its borders with Switzerland and Italy, the region has become a popular destination for sports, mountaineering and tourism.

Known as a major high tech and engineering industry hub, it is also home to companies operating in a variety of sectors such as smart energy, industrial manufacturing, construction as well as public works, transportation and healthcare.

There’s a distinctive entrepreneurial buzz here, with 65,000 new companies created every year. It is also France’s second leading region for patents filed, and it’s home to an impressive €6.5 billion in Research & Development (R&D) investments.

All of these assets make it a prosperous area, with the second highest GDP in France and the eighth highest in Europe.
